II. INTRODUCTION

A.

About the project

Urmul Trust is promoting the development of Urmul Natural Dyeing Cluster in the western Rajasthan district of Bikaner, with the support of IMEDF, New Delhi, and Desert Resource Centre. The grant for the entire intervention is coming from Ministry of MSME under its SFURTI scheme. The objective of this three-year programme is to:

- A. Supplementing the incomes earned by 500+ artisans through organized production of high value handmade nautical artefacts.
- B. Setting up of a state of craft facility for the processing, value addition and premium marketing of handmade products to create jobs and boost local economic development.
- C. Develop necessary institutional and governance support systems for facilitating the organized, holistic and sustainable development of the cluster.

Through this proposal, Urmul Trust, seeks a skilled fabricator or firm to provide consulting services of range - collectively represented as **Technical framework for the Natural Dyeing Unit**. Details of the same as mentioned in the sections further.

B.

About Urmul Trust

In the last 35 years, Urmul ecosystem has worked in the desert region of Rajasthan, on a wide range of socio-economic development themes driven by partnerships. These partnerships are with communities, changemakers, facilitating agencies, governments, and other stakeholders. Urmul Trust works on participatory, lasting, cost effective and high impact interventions covering a wide range of themes, and addressing 13 SDGs. Teams at Urmul have managed large-scale interventions on livelihoods – farm & non-farm, education, health, girl child, NRM and disaster mitigation. Spread in three verticals - capabilities, rights, and social businesses - our work reaches out to over 2000 villages.

III. Scope of Work

A. Project Details

The project envisions development of a Block Printing Unit including various services and facilities supplementing it with machinery and other paraphernalia required to smooth operation of block printing unit. The details of the plan and other machines is covered in the annexure I

B. Package of Services required:

The intent of this RFP is to have the firms/individual consultant under consideration specifically address the services required and provide a well-considered price proposal for those services.

Urmul Trust is looking for a "turnkey" approach, where the hired fabricator/firm shall deliver the complete furnishing including partisan. The vendor shall work closely with the project Technical agency Desert Resource Centre and the point person appointed by the agency.

The scope of work includes:

Details of the block printing unit including the Bill of material is mentioned in the annexures of this document.

C: Site Location

Urmul campus
Near Grid sub-station, Bajju village, Bikaner, Rajasthan

D: PRE-QUALIFICATION

1. Vendor/Consultant/ Consulting firm must have demonstrated prior experience in delivering/undertaking similar assignment to the satisfaction of the selection committee.
2. Bidder must have a minimum working experience of 4 years

IV. Proposal format:

There will be two parts to the proposal. A technical and a financial proposal must be submitted separately. Both should be submitted separately duly signed off by bidder.

Part 1: Technical Proposal

1. Provide the following information:

- Legal Name of Firm/Consultant
- Complete address
- Contact person
- Telephone number
- Internet address
- E-mail address
- Tax registration (PAN, GST)

2. Provide a General Statement of Qualifications that responds to the project background information given above.

For your last two projects, provide the following:

- Name of project
- Total project budget

Part 2: Financial Proposal

The components comprising the total price must provide sufficient detail to allow Urmul Trust to determine compliance of proposal with requirements as per TOR of this RFP.

It is to be noted the break-up of price quoted will not influence the evaluation/selection of the proposer. For evaluation/selection, only the total price quoted will matter.

The financial proposal must be duly signed and stamped. The financial proposal must include, but not necessarily be limited to, the following documents. Provide information on your preliminary fee structure based on the scope indicated above, including anticipated reimbursable costs.

V. Selection of Proposal:

Urmul Trust reserves the right to reject any and/or all Proposals when such rejection is in the interest of the project and the organisation to reject Proposal of Bidder who has not met the prerequisites of the bid proposal, who has previously failed to perform properly or complete on time contracts of a similar nature; and to reject proposal of Bidder who is, in the opinion of the selection committee, in a position to perform the contract. Urmul Trust also reserves the right to waive any information and technicalities in bidding.

Contract will be awarded on the basis of three factors which are described below. Each factor will be rated and the contract will be awarded (unless all bids are rejected), under normal circumstances, to the bidder receiving the highest number of points. Points will be awarded for Bid Proposals exceeding the minimum standards as described in Bidder's Pre-Qualifications. Urmul Trust selection committee reserves the right, however, to award contract to its best interest.

Price = 30 Points. The highest number of points in this category will be given to the lowest responsible bid price.

Capacity = 30 Points. Points will be awarded on the basis of prior experience in performing similar work produced in each of the previous three years; technical and financial resources involved; record of the past job performance.

Prior Experience = 40 points for the prior experience delivering similar assignments.

VI. General conditions:

- A. Each bidder shall carefully examine Bidding Documents and all Addenda or other revisions and thoroughly familiarize himself with the detailed requirements prior to submitting a proposal. Should a bidder find discrepancies or ambiguities in, or omission from Bidding Documents, or should he be in doubt as to their meaning, he shall, at once, and in any event not later than seven (2) days prior to bid date, notify the procurement team at Urmul Trust, who will send written addenda to all bidders. All Addenda sent to bidders will become a part of the Contract Documents. All questions during the bid period shall be directed in writing to **CDE, Natural Dyeing project, procurement@urmul.org**.
- B. Interpretations, corrections and changes of the bidding documents made in any other manner will not be binding, and bidders shall not rely upon them.
- C. Changes or corrections may be made in the bidding documents after they have been issued and before bids are received. In such case, a written addendum describing the change or correction will be issued by the owner to all bidders. Such addendum or addenda shall take precedence over the portion of the bidding documents.

- D. Prior to submitting a Proposal, each bidder shall examine and thoroughly familiarize with all existing conditions including all applicable laws, codes, ordinances, rules and regulations that will affect his work.
- E. During the programme tenure, all documents furnished to any person, under any conditions, remain property of the Urmul Trust, and shall immediately be returned upon request and, in any case, no later than fifteen (15) days after receipt of Proposals.
- F. In general, all the financial rules of Urmul Trust and the compliances under the SFURTI guidelines for the project shall be applicable overarching to all the contractor & sub-contractors, thereof.
